

At Redland Elementary School, we believe learning extends beyond the classroom. We offer a variety of programs to enrich student learning, provide academic support, and foster creativity and exploration.

Academic Support & Enrichment

Before & After-School Tutoring: Targeted instruction to strengthen core academic skills. See your child's homeroom teacher for more information.

STEAM Club: Hands-on science, technology, engineering, art and math activities.

Reading & Math Intervention Programs: Small group instruction to reinforce foundational skills during the school day.

Clubs & Extracurricular Activities

Art, Music, & Drama Clubs: Creative outlets for self-expression and talent development.

Title I Chess to Think: Critical thinking and problem-solving through interactive challenges.

Special Programs

Gifted & Talented Program: Enrichment opportunities for high-achieving students.

Bilingual & Language Programs: Support for multilingual learners.

We encourage students to participate in these programs to expand their knowledge, build confidence, and develop new interests. For more information, please contact the school office or visit our website.
